Background:

Iowa Interactive has completely renovated the IDVA static website. This project is for ITE to add the capability for our veterans to be able to apply online to IDVA for

1. The Veterans Trust Fund
2. Veterans Commemorative Property transactions
3. County Grant Program
4. Vietnam Bonus Program
5. Military Home Ownership Program
6. All other application for benefits and service currently made to the IDVA

These forms should be interactive so that counties and veterans may fill them out online and submit them without printing and mailing.

A third project is planned after the completion of the CoMIS project (also being funded by IOWAccess) to provide a protected site for the counties to access forms and submit securely, along with other information deemed necessary by the department.

Expected Results in this Project:

This project would greatly improve the way veterans are able to apply to the IDVA for benefits and service by having an online application process.

Guidelines for Costs

Allowable costs

To be allowable under IOWAccess Projects, costs must meet the following general criteria:

- Be necessary and reasonable for proper and efficient performance of IOWAccess Projects.
- Be authorized or not prohibited under State or local laws or regulations.
 - ✓ Not be included as a cost or used to meet cost sharing or matching requirements of any other State or Federal Project in either the current or a prior period, except as specifically provided by State law or regulation.

Reasonable costs

A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. In determining the reasonableness of a cost, consideration shall be given to:

- Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the sponsoring agency or performance under the IOWAccess Project.
- Market prices for comparable goods or services.

Composition of Cost

Typical costs chargeable to IOWAccess Projects are:

- Cost of materials acquired, consumed, or expended specifically for the purpose of those Projects.
- Equipment and other capital expenditures detailed in the application and previously approved as part of the Project.

Amounts not recoverable as costs under one State or Federal Project may not be shifted to another State or Federal Project, unless specifically authorized by State or Federal legislation or regulation.

 - ✓ A comprehensive description of the items covered by the request, and

- ✓ Copies of any supportive documentation (e.g. vendor invoices, documentation for completed work).
- The IOWAccess Manager will review the supporting financial information and evaluate it against the originally approved project.
- When satisfied that the request meets the stated requirements, the IOWAccess Manager will recommend the request for approval for payment and submit it to DAS Finance for processing.
- In no case will the total reimbursement for each phase exceed the approved amount of the Project phase.

The sponsor seeking reimbursement of expenses is responsible for retaining all necessary documentation pertaining to the relevance and results of the work performed and will provide such documentation upon request. DAS Finance will refer the Auditor of State to the sponsor should there be any questions about the expenditures associated with the Project.
